B.1 Estimated Cost, Fixed-Fee and Payment.

B.1.1 The estimated cost for performance of work (Level Of Effort (LOE), material, travel and Other Direct Costs (ODCs)) under this Delivery Order, exclusive of the contractor's fee, are set forth in Section B at the CLIN level. The amounts shown shall constitute the estimated cost for the purpose of the General Provision of the contract entitled "Limitation of Cost", FAR 52.232-20, but neither the Government nor the contractor guarantee the accuracy of said estimate. The provisions of FAR 52.232-20 notwithstanding, the limitation shall apply to each CLIN of the Delivery Order. The estimated cost and fixed-fee for LOE, material, travel and ODCs under each CLIN are based upon the contractor furnishing the maximum LOE specified at the CLIN level during the period of performance set forth in each Work Directive associated with the CLIN. To support payment for work performed under this Delivery Order, the contractor shall, on each voucher submitted, state the LOE expended and shall certify that said LOE has been expended in the accomplishment of the work called for by the Work Directive. Expenditure of labor hours in excess of the quantity specified is not authorized. Allowable cost shall be determined and payment shall be as provided in accordance with the General Provision of the contract entitled "Allowable Cost and Payment", FAR 52.216-7.

B.2 A fixed-fee, as set forth at the CLIN, shall be paid to the contractor for the LOE, material, travel and ODCs at the completion of the period of performance set forth in the Work Directive, upon certification of the contractor that he has exerted the LOE specified for in the Work Directives under the CLIN and such performance is considered satisfactory by the Contracting Officer. However, the contractor may present, with each voucher for its costs (whether for LOE, material or ODC), a fee voucher in the amount bearing the same relation to the CLIN fixed-fee as the accompanying cost voucher bears to the applicable CLIN cost. Payment of the fixed-fee shall be subject to the withholding set forth in Paragraph (B) FAR 52.216-7.

SECTION G - CONTRACT ADMINISTRATION DATA

G.1 Work Directives.

G.1.1 All work under this Delivery Order shall be completed in accordance with Work Directives (WDs) agreed to by the Government and Contractor. The Contractor shall prepare and furnish proposed WDs as required or requested by the Contracting Officer. The contractor shall have a single centralized Point of Contact (POC) to submit proposed WDs to the Contracting Officer and ensure that WDs comply with this clause. The proposed WD shall be written with the purpose of providing the Contracting Officer a suitable document that will enable the contractor to perform specific tasks within the associated performance period upon WD execution. Language that includes unexplained acronyms and technical jargon shall not be used. The proposed WD shall clearly and simply state the requirement with reference to Section C but without merely reiterating the language in Section C. The contractor's format for the WD document is acceptable, but it shall be uniform for all WDs prepared and include as a minimum the information listed below:

- a) Reference to specific requirement(s) of Section C of this contract under which the work is to be performed.
- b) Objective of the work to be performed.
- c) Number of hours to accomplish the work.
- d) Estimated completion date as applicable. The contractor shall specify delivery dates for the data items required by the WD.
- e) Identification of the Contract Line Item Number (CLIN) under which the work is to be performed.

G.1.2 The Contracting Officer shall establish priorities for contractor performance on WDs and shall review with the contractor the priorities and rankings on all active WDs, as required. Duplication of work covered by a previous work directive shall be sufficient basis for disapproval of a proposed WD.

G.1.3 The Contracting Officer has the option to cancel or modify WDs in whole or in part, and change the relative priorities assigned. Active WDs may be canceled at any time by the Contracting Officer, and the contractor will be notified in writing of the reasons(s) therefore. If additions, deletions or revisions to a WD are necessary, or when authorized hours and/or material dollars remain at the completion of a WD, then the contractor shall prepare a Supplemental WD to reflect the addition, deletion or revision or reduce the authorized hours and/or material dollars by the residual amounts, as required. A supplement which revises the scope or increases hours or material shall also be completed. The Supplemental WD denoting the addition, deletion or revision shall be assigned the original WD number with a suffix to denote the revision. Supplemental WDs to reduce hours or material dollars shall be submitted at the earliest possible date, but not later than 90 days after completion of work on the basic WD.

G.1.4 The contractor is not authorized to incur hours, material, travel or ODC costs that exceed the estimate on each executed WD. Any hours, materials, travel and ODCs in excess of that authorized is at the contractor's risk, and the Government has no obligation to reimburse the cost of hours, materials, travel and ODCs above that authorized. Anytime the contractor has reason to believe that the hours, materials, travel and ODCs that it expects to incur in the performance of a WD shall exceed the authorized hours, materials, travel and ODCs on the WD, the contractor shall notify the Contracting Officer in writing.

G.1.5 The contractor shall submit a Monthly Expenditure Report for each funded CLIN in accordance with CDRL A062.
