SECTION A - SUPPLEMENTAL INFORMATION

PROGRAM: Stryker Armored Vehicle Program

1. This Modification CE to Delivery Order 0002 under Requirements Contract DAAE07-00-D-M051 is a supplemental agreement.
2. On 19 December 2002, Modification BK was executed for the conditional acceptance of 5 (five) Engineer Squad Vehicles (ESVs). The vehicle price withhold established under Modification BK for the conditional acceptance of four (4) of the ESVs, ESV-0019, ESV-0020, ESV-0021 and ESV-0022, must be increased prior to vehicle conditional acceptance.
3. The vehicle price withhold for each of the four (4) ESVs, ESV-0019, ESV-0020, ESV-0021 and ESV-0022, is increased by \$25,653 from \$188,135 to \$213,788 per vehicle (after the liquidation of progress payments). The price withhold for these vehicle is increased for the following reasons:
 - a. The Jetison Kit, part number 10657178-001PEG, is not available and must be listed on Attachment A as a part shortage item. The vehicle price withhold for the missing Jetison Kit is \$20,653 per vehicle.
 - b. Pending resolution of an appropriate acceptance test for the Mission Equipment Package (MEP) Magnetic Signature Duplicator (MSD), a vehicle price withhold is \$5,000 per vehicle. The parties agree to resolve the MEP MSD acceptance issue no later than 7 April 2003. The contractor may invoice for the \$5,000 per vehicle when the MEP MSD acceptance test is resolved to the satisfaction of the Procuring Contractor Officer.
4. Except for the increase of the vehicle withhold for four (4) ESVs, all other terms and conditions of Modification BK remain unchanged and in full force and effect.
5. As a result of this modification, the total price of Delivery Order 0002 is neither increased nor decreased. Except as specifically stated above, all other terms and conditions of Delivery Order 0002 remain unchanged and in full force and effect.
