Name of Offeror or Contractor: GM GDLS DEFENSE GROUP L.L.C.		

SECTION A - SUPPLEMENTAL INFORMATION

1. This is bi-lateral modification P0001 to contract DAAE07-02-C-B002, Strategic Configured Sustainment Support Package.
2. The purpose of this modification is to correct a hard copy/administrative error in the awarded contract.
3. This modification removes in its entirety Section C.7 Warranties and C.7.1 Pass Through Warranties from the contract. These sections are herewith marked as reserved until such time that they may be reinstated to the contract by bi-lateral modification. The Government and contractor will address warranties during the definitization process for this contract.
4. Exhibit A is changed to reflect 10 pages instead of 09.
5. No change in financial obligation data as a result of this modification.
6. All other terms and conditions remain unchanged and in full force and effect.

SECTION C - DESCRIPTION/SPECIFICATIONS/WORK STATEMENT

C.6. Deployment Support Packages (DSP)

The contractor shall assemble and deliver a DSP in accordance with Exhibit A, consisting of a 20 day package of parts for the deployment for Brigade size elements without re-supply capability. Parts contained in the DSP are limited to mission critical items, and associated hardware, designed to support field level maintenance. The contractor shall provide all parts for field level maintenance of the following GFE: M13A1, GPFU, AN/VDR-2 mount, and VIS/VIC3.

C.6.1. DSP updates. As additional DSP items are identified, these items may be incorporated into Exhibit A by bilateral contract modifications.

C.6.2. Packing

Deployment Support Packages will not be stored as assembled sets. Parts will be coded as reserved for Deployment Support Packages (DSP) to ensure ability to assemble complete DSP's within short notice (48 hours). Upon instructions from the Government the DSP's will go onto standard warehouse pallets, and then placed on a 463L platform (96" x 88" not to exceed 6 ft high or 7,200 lbs) or as otherwise directed.

C.6.3. 20 Day Deployment Support Package

C.6.3.1 20 Day Deployment Support Package for IAV Baseline, and unique items for: ICV, MC, CV, RV, ESV, FSV, ATGM, MEV. The contractor shall develop, have ready to assemble, and deliver a 20 day DSP of parts for Brigade size elements without re-supply capability.

C.6.3.2. The package shall consist of range and quantity of items required to support field level maintenance for all configurations listed in C.6.3.1. above based on existing provisioning data at the time of contract award.

C.7 Reserved.

C.7.1 Reserved.
